Pipette calibration

Service description	Single pipette			8 channels pipette			12 channel pipette		
	VWR cat. #	Price	QTY	VWR cat. #	Price	QTY	VWR cat. #	Price	QTY
Pipette calibration ISO8655 4R/3V AL	CA11033-508	\$38.73		CA11033-514	\$105.72		CA11033-516	\$118.15	
Pipette calibration ISO17025 4R/3VAL	CA76332-778	\$45.68		CA76332-814	\$113.02		CA76332-816	\$125.58	
Pipette calibration ISO17025 4R/3V AF/AL	CA11033-512	\$55.07		CA11033-518	\$164.62		CA11033-520	\$180.08	
Pipette calibration ISO8655 10R/3V AL	CA11033-506	\$52.12		CA76332-770	\$140.36		CA76332-774	\$150.38	
Pipette calibration ISO17025 10R/3V AF/AL	CA11033-522	\$72.14		CA11033-524	\$235.16		CA11033-526	\$259.91	

R = Repetition V = Volume AF = Measurements as found before maintenance. AL = Measurements as left after maintenance.

For 4 or more pipette calibrations per shipment, a prepaid waybill is provided for sending pipettes to the lab (return shipping is always included).

Weight calibration (ISO 17025:2017 standard - controlled environment laboratory)

Service description	VWR cat. #	Price	QTY
Weight calibration ISO17025 >1mg-500mg	CA76332-742	\$53.04	
Weight calibration ISO17025 >1g-1kg	CA11033-498	\$58.94	
Weight calibration ISO17025 >1kg-5kg	CA11033-500	\$64.52	
Weight calibration I ISO17025 >5kg-25kg	CA11033-502	\$76.25	

Balance calibration

Service description	VWR cat. #	Price	QTY
Balance calibration standard Manufacturer's tolerance for eccentricity, linearity and sensitivity tests	CA11033-430	\$119.46	
Balance calibration StandardPLUS Manufacturer's tolerance for eccentricity, linearity and sensitivity tests in addition to repeatability test.	CA11033-478	\$129.63	
Balance calibration ISO17025 Manufacturer's tolerance for eccentricity, linearity and sensitivity tests plus measurement for uncertainties ISO17025	CA11033-446	\$168.00	
Balance calibration USP Manufacturer's tolerance for eccentricity, linearity and sensitivity tests. Minimum weight USP/Ph.Eur.	CA11033-462	\$159.99	
Moisture Analyzer calibration Manufacturer's tolerance for eccentricity, linearity and sensitivity tests. Calibration of the temperature probe.	CA11033-476	\$173.28	

Thermometer calibration

Service description	VWR cat. #	Price	QTY
Thermometer Calibration - 1 pts ISO17025	CA11033-546	\$120.00	
Thermometer Calibration - 2 pts ISO17025	CA11033-548	\$160.00	
Thermometer Calibration - 3 pts ISO17025	CA11033-550	\$200.00	

* For more points to be calibrated or for batch of thermometers of the same temperature (reduced unit price) please ask for a quote.

For an on-site visit, a fee of \$75.00 per day per service will be added. A travel fee may also be added depending on the site.

Prices subject to change without prior notice
